

## VIDEO UPLOAD INSTRUCTIONS

The candidate will have to make a video with the performance of the required pieces.

This video must not be edited in post-production and must be made in a single shot with a fixed-frame camera (or smartphone, tablet, computer, ...).

This video file must be uploaded to a personal YouTube channel of the candidate, using the "unlisted" method. In this way, it cannot be viewed by any user on the network who does not have the unique URL for the video itself.

In this way, the confidentiality and respect for the privacy of the candidate will be guaranteed, avoiding the dissemination of material reserved for the audition of the Competition.

After uploading the video, the candidate must communicate via email (segreteria@spazioemusica.it) the address of the link for viewing the video on YouTube.

Once the results of the selection have been communicated, the video must be removed by the candidate himself.

In the event that the candidate has not already opened a personal YouTube channel and/or does not have a Google account (for example Gmail), it will be his responsibility to create a personal account from the <https://accounts.google.com/> and opening the channel on the site <https://www.youtube.com>.

This operation does not involve any cost.
